Expectation

6 The University has in place arrangements and resources which enable students to develop their academic, personal and professional potential, and monitors and evaluates them.

Key aims and principles

- 7 The University ensures that:
- 7.1 students are appropriately supported in their academic, personal and professional development to encourage them to achieve their full potential;
 - 7.2 students are appropriately supported in programme transitions, including where they need to leave one course and join another;
 - 7.3 students are aware of and have easy access to relevant information about the support and learning opportunities available to them;
 - 7.4 students are in a position to understand the expectations placed on them by the University and the need to take responsibility for their own learning and development;
 - 7.5 students have an opportunity to give their input into the nature of the

Intermission Policy

- 24 A student may appeal against a decision that:
- (i) their intermission request has been refused under paragraph 9;
 - (ii) a further intermission request has been refused under paragraph 16;
 - (iii) their studies are to be brought to an end following an intermission from studies under paragraph 21.
